Supplier Declaration on Dual-Use Goods pursuant to Regulation (EU) 2021/821

We, **[Name and full address of the supplier]**,

hereby declare, in a legally binding manner, that the goods, components, product items and, where applicable, related software or technology supplied or to be supplied by us to **MMM Münchener Medizin Mechanik GmbH**

- do not fall within the scope of Regulation (EU) 2021/821 establishing a Union regime for the control of exports, brokering, technical assistance, transit and transfer of dual-use items,
- are not listed in Annex I of the aforementioned Regulation,
- do not fall under national dual-use control lists (e.g. Part I Section B of the German Export List), and
- to the best of our current knowledge, are not subject to any licensing requirements under the German Foreign Trade and Payments Act (AWG) or the German Foreign Trade and Payments Ordinance (AWV).

This declaration refers to the attached list of goods incl.

- **article numbers**
- **material descriptions**
- where applicable: drawing indices and/or version numbers

We further confirm that:

- an appropriate technical assessment of the goods with regard to dual-use relevance has been carried out,
- we will inform you immediately in writing should any changes occur in the future regarding the export control classification of the supplied goods,
- we will provide additional technical documentation for export control assessment upon request.

This declaration shall apply to all deliveries of the above-mentioned goods, provided that no export control-relevant modifications are made to their technical design.
